Pour une bouche plus pulpeuse, brillante et attirante. La formule contient de l'huile de grenade, symbole de la fertilité dans le Kama Sutra, et du Super Ester Stérol pour adoucir et hydrater les lèvres. Douces et gourmandes, elles sont prêtes aux premiers baisers.

Maxi-lip™ : a mouth-watering lip-plumper, bursting with moisture for shiny, lickable lips. Seatons Pomegranate seed oil : specifically mentioned in the Kama Sutra, the pomegranate has always been a symbol of fertility. Super Sterol Ester : delivering exceptionally soft and desirable skin, for that all important first kiss.
